ROUND 4 QUESTIONS AND ANSWERS				
Q-114	Workload -20	Amendment 0009, Exhibit J, TE 5-M-S-T-001 Fort Huachuca Minimum Productive Hours, Transportation Material Movements block, Page # NA, Para. # NA	The description of the Total Number of Containers on Hand cited in the Material Movements (Freight) block of the Transportation section does not seem to be quantifiable as productive hours. Since the type of action, e.g., packing, loading, moving, transporting, storing, etc. is not described, it is unclear what the 3,099 minimum productive hours represent. Would the Government please clarify the actions associated with this workload?	Exhibit J, TE 5-M-S-T-001 Minimum Productive Hours has been updated as the 3,099 minimum productive hours was not supposed to correlate with "Total Number of Containers on Hand". This information is now part of the "Total Number of Packages and Crating provided (Pieces)." Therefore, the "Total Number of Containers on Hand" is now 0. Amendment 13 reflects these changes (and is highlighted in orange) in Exhibit J, TE 5-M-S-T-001 Minimum Productive Hours dated 03 Jan 14.
Q-115	Workload - 21	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours	The last 11 lines of workload (SHOP / REQU REMENT) under Personal Property Operations (PWS 5.22) is workload normally associated with a Material Movement (Freight) Operation (PWS 5.27). Is this workload intended to be applicable to a freight operation?	Please refer to Amendment 0009 (TE 5-M-S-T-001 Minimum Productive Hours 12 DEC 13). Material Movement (Freight) Operation has been identified under its own shop and removed from Personal Property Operations.
ROUND 3 QUESTIONS AND ANSWERS				
Q-111	RFP - 36	Solicitation	Section A of this reference highlights a change to Paragraph L 5.3 2.7.1 (a); however, in referring to Section L concerning this paragraph there is a discrepancy in the wording between the two paragraphs. A similar discrepancy occurs again in Section A, tem 17, concerning Paragraph L.5 3.2.7 2 (a) and its reference in Section L. In such cases, can we assume that Section L, not Section A takes precedence in the Solicitation ?	Yes Section L would take precedence in the Solicitation over section A. The posted amendments with the latest updated sections L and M would be the most up to date language to propose against.
Q-112	RFP - 37	Conformed Solicitation per Amend 0009, p. 61; Para L.5 3.2.7 6(a) Direct Labor	Based on several other recent TORFPs, the Government has been implementing a 3% escalation for Direct Labor. Will that escalation be required for this proposal? Request this be answered as quickly as possible so Primes can provide the correct information to its teaming partners/subs and have time for them to make the necessary changes and get pricing back to the Prime and allow time for this info. to be incorporated into the Prime's proposal, e.g., Att. 0005s, etc .	No, The language for implementing an escalation rate is not included in the Fort Huachuca's Task Order RFP.
Q113	RFP - 38	Amendment 0006, Page 14, L.5 3.2.7 6 Direct Labor	The Government states, "For evaluation purposes only, when proposing Direct Labor Rates, Offerors shall assume a 3% escalation rate for proposed personnel and/or proposed categories of labor for each option year that is not covered by an applicable Collective Bargaining Agreement (CBA). Is the Government directing Offerors to include in their cost proposals direct labor rates at 3% escalation in all option years or is the Government simply notifying us that this is how we will be evaluated?	No, The language for implementing an escalation rate is not included in the Fort Huachuca's Task Order RFP. Amendment 0006 under the Ft. Huachuca task order did not include any revisions to Section L.
ROUND 2 QUESTIONS AND ANSWERS				
Q-101	Workload - 11	Amendment 0007, Exhibit J - TE 5-M-S-T-001 Minimum Productive Hours and PWS Section 5.27 Material Movements (Freight)	Exhibit J - TE 5-M-S-T-001 provided with Amendment 0007 no longer contains minimum productive hours for Freight. However, this requirement is still included in the PWS as Section 5.27. Can the Government please clarify whether these hours were omitted intentionally?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-102	Workload - 12	Amendment 0007, Exhibit J - TE 5-M-S-T-001 Minimum Productive Hours and PWS Section 5.17 Hazardous Material (HAZMAT)	Exhibit J - TE 5-M-S-T-001 provided with Amendment 0007 no longer contains minimum productive hours for HAZMAT. However, this requirement is still included in the PWS as Section 5.17. It is also listed as a Mission Essential Contractor Service in Attachment 13. Can the Government please clarify whether these hours were omitted intentionally?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-103	Workload - 13	Exhibit J – TE 5-M-S-T-001 Minimum Productive Hours; PWS 5.17	The revised Minimum Productive Hours released with Amendment 0007 do not include hours for Hazardous Material Control Center but this is still a requirement in the PWS. Would the Government please clarify if the HMCC is, in fact, still a requirement, and if so, please provide workload data?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-104	Workload - 14	TE 5-M-S-T-001 Minimum Productive Hours; PWS 5.27	The revised Minimum Productive Hours released with Amendment 0007 do not include hours for Material Movements (Freight) but this is still a requirement in the PWS. Would the Government please clarify if Freight is, in fact, still a requirement, and if so, please provide workload data.	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-105	Workload - 15	Amendment 0007; Attachment 0001; Section C-5; Page 23-25; Paragraphs 5.16 and 5.17 Exhibit J	Is the workload data (minimum Productive Hours) for the HAZMAT Warehouse included under Installation Supply Support Activity (Retail Supply Services) (PWS 5.16) minimum Productive Manhours?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-106	Workload - 16	Amendment 0007; Attachment 0001; Section C-5; Page 23; Paragraph 5.17 Exhibit J	Will the Government please provide workload data (minimum productive hours) for the HAZMAT Warehouse?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-107	Workload - 17	Amendment 0007; Attachment 0001; Section C-5; Page 52; Paragraph 5.27 Exhibit J	Is the workload data workload (minimum Productive Hours) for the Material Movements (Freight) section included somewhere else in Exhibit J?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours

Ft. Huachuca Questions and Answers

W52P1J-13-R-0035

Q-108	Workload - 18	Amendment 0007; Attachment 0001; Section C-5; Page 52; Paragraph 5 27 Exhibit J	Will the Government please provide workload data (minimum productive hours) for Material Movements (Freight)?	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-109	Workload - 19	Amendment 0007, TE 5-M-S-T-001	There is no workload listed for PWS 5.27, Material Movements (Freight). The original exhibit identified 7,680 hours for Material Movements. Please clarify the hours required for PWS 5.27	Amendment 0009 revised Exhibit J TE 5-M-S-T-0001 Minimum Productive Hours
Q-110	RFP	General	Services in Arizona are subject to a Gross Receipts Tax. Will the government please clarify if the cost of this tax is incorporated in the NTE ODC values provided by the government?	If the cost is a direct cost then it would be included in the ODC and the Offeror shall annotate this in its cost assumptions. If the cost is an indirect cost, then the Offeror shall include this cost in its expense pools for their indirect rate calculation. Offerors should not assume this tax to be applicable, please check with the Arizona department of revenue providing specifics of the nature of work to be performed and that he work is performed on a government installation. Please also note that ODC costs are subject to the Government's approval.
ROUND 1 QUESTIONS AND ANSWERS posted 10 DEC 2013				
Q-020	Attachment	Attachment 0002 W52P1J13R0035 pdf, Page 2, Section A: d)	Attachment 0002, Staffing Labor Mix (FTE Count Base Period Tab) identifies in large bold red letters that offerors are to: Formulate base period productive hours for 9 months of Fully Operational Capable staffing. Page 2 of the solicitation (conformed copy of amendment 0003) identifies the Base Period as 12 months with a 60-day transition for CLINs 0001-0005. Will the Government please clarify instructions for Attachment 0002 whether to include productive hours for 9 months or 10 months of full operational capability?	Attachment 0002 was updated via Amendment 0004.
Q-027	Attachment	Attachment 0001 Ft. Huachuca DOL Final PWS 26 Sep 13, Section C-5 Page 24, Paragraph 5.18	The PWS does not align to the Mission Essential Contractor Service (MECS). Specifically, it seems as though Bulk Fuel capabilities (as required in 5.18 of the PWS) should be a MECS, but is not listed in Attachment 0013 - Mission Essential Services Memo, as on of the functional tasks. Could the government please specify which of the mission essential services 5.18 falls under, or revise the Attachment 0013 to include Bulk Fuel as a mission essential service?	Attachment 0013 is revised via Amendment 0007 to add Bulk Fuel.
Q-018	CBA 1	CBA, Page 13, Article 20	Article 20 of the CBA discusses paid time off; however, it does not clarify who (union or contractor) pays for paid time off or what the paid time off accrual rate is. Will the government please clarify who pays for the paid time off and what the accrual rate is?	No additional information is available.
Q-030	CBA 2	Attachment 008	In Article 20 of Attachment 0008 - Collective Bargaining Agreement (1 Nov 12 to 31 Oct 12), the agreement states that there was a transition from a vacation to PTO plan, but there is no information on the PTO accrual hours. In order to accurately estimate productive hours for Union employees, is there a CBA memorandum/appendix/addendum the Government can supply that explains the amount of PTO/vacation each employee earns per year?	No further information can be provided.
Q-046	CBA 3	Attachment 0008 - Collective Bargaining Agreement, Appendix A, Page 21	The H&W rate in the CBA for the period beginning 11/1/2013 is \$3.71/hr which is less than the required H&W amount required by the Wage Determination (WD) of \$3.81/hr. It is our understanding of the Service Contract Act that you cannot pay less benefits than in the WD even with a CBA in place. Since this CBA does not provide any additional benefits that would qualify as H&W, then we believe we must bid H&W for this Union at \$3.81/hr unless the USG advises otherwise. Please advise as to what H&W rate we should use in our proposal for these Union employees.	The Government will not provide what rates should be used, Contractors are to follow the applicable Wage Determinations and CBA to determine what rates are acceptable under the law and CBA agreement.
Q-84	CBA 4	CBA (Technical Exhibit ATT2)	What is the CAB Health and Welfare Rate?	The PWS in conjunction with the CBA attachment 0008 and Wage Determinations provided as Attachment 0007 respectively should inform the Offeror how to propose. See Appendix A on page 24 of the Attachment 0007 CBA.
Q-92	CBA 5	Collective Bargaining Agreement, Article 20, page 13	Please identify what the annual and/or monthly accrual rate is for this benefit.	Offerors shall use the CBA rates and Wage Determinations included in the RFP when preparing their proposal.
Q-001	RFP - 1	Solicitation, Pages 46-52, L.5	Section L.5 of the solicitation discusses information that is to be submitted with our response. In reviewing the requirements, we did not see anywhere to include items such as cover letters, signed title pages, or tables of contents (with the exception of the price volume). Will the government please clarify if additional items such as those named above will be accepted with the submission of each of our volumes? If yes, should they follow the same naming convention (i.e. the cover letter could be titled Company_Vol_1_CoverLetter)?	The Government will only evaluate the documents required for submission in Section L.5, therefore additional documents provided are not evaluated. Please also note that paragraph L.4 3(9) indicates that "[p]age limits exclude cover page; table of contents; glossary of abbreviations and acronyms."
Q-003	RFP - 2	Conformed Solicitation (A0001), p. 1, 17, 33	Should the SF33, Section I, Section K and any other forms which are part of the solicitation be taken from the final conformed solicitation or will these parts remain unchanged? If they are to be taken from the final conformed solicitation, it has been the Offeror's experience that not enough time will elapse between the final conformed solicitation release and the final due date. Considering this, respectfully request that you allow for adequate time to execute the contract.	If the information has not changed then the information can be provided via the original solicitation document or amended document. The offeror must ensure that they are providing the most up to date required information.
Q-004	RFP - 3	General; Conformed Solicitation (A0001) Section L 5.3, p. 48-51	Please clarify exactly what documents are required under Volume 4 for subcontractors, i.e. Assumptions, separate Side by Side Comp?	Refer to RFP Section L.5.3 Section L.5.3 2.7 of Amendment 0007.

Q-005	RFP - 4	TORFP specific reference; General	<p>Notwithstanding the emphasis the EAGLE RIA Contracting Office has placed on treating each TORFP as a separate stand-alone document and while also keeping with your Office's goals/objectives (from May's BOA Holder's Mtg.) of uniformity/standardization where possible in these same documents along w/reducing the number of offeror questions, respectfully request that the spaces, file naming (all) & Rate Data requirements be locked down on a go-forward basis.</p> <p>Note: Offeror will be glad to provide exact Q&A refs. to facilitate this clarification/response.</p>	Spaces, file naming and rate data requirements must be provided as listed in Section L of the RFP.
Q-007	RFP - 5	A0003 and Conformed Solicitation Section L 5.3.2.7 ("However, if the prime offeror selected a proposed teammate/subcontractor on a competitive basis, the prime offeror shall only provide its basis for the competitive Teammate/subcontractor selection. Therefore, the information detailed in the below paragraph is only required for the prime offeror and its proposed teammates/subcontractors that were selected on a noncompetitive basis.") change, FAR 52.244-5 Competition in Subcontracting (CIS) & FAR 52.244-2 Subcontracts.	Does the Competition in Subcontracting clause/provision actually apply to Set-asides vice Full & Open/Unrestricted TORFPs?	Yes, clauses 52.244-5 and 52 244-2 are applicable to the Ft. Huachuca Task Order RFP.
Q-008	RFP - 6	A0003 and Conformed Solicitation Section L 5.3.2.7 ("However, if the prime offeror selected a proposed teammate/subcontractor on a competitive basis, the prime offeror shall only provide its basis for the competitive Teammate/subcontractor selection. Therefore, the information detailed in the below paragraph is only required for the prime offeror and its proposed teammates/subcontractors that were selected on a noncompetitive basis.") change, FAR 52.244-5 Competition in Subcontracting (CIS) & FAR 52.244-2 Subcontracts.	Will Small Business Offerors w/out an approved Purchasing System be allowed to utilize this approach?	Yes, this applies even if an offeror that does not have an approved purchasing system. The competitive selection (dependent upon contract type) shall be IAW with the prime contractor's purchasing system. However, if the prime offeror selected a proposed teammate/subcontractor on a competitive basis, the prime offeror shall only provide its basis for the competitive Teammate/subcontractor selection. The competitive selection (dependent upon contract type) shall be IAW with the prime contractor's purchasing system. The competition shall be specifically related to the given task order and be a price/cost competition. It may include a price analysis, cost realism analysis, or best value trade-off analysis detailing the degree of competition and the basis for establishing the source and reasonableness of price. The prime contractor shall provide the cost data requested from the teammate/subcontractor and the response from the teammate/subcontractor. In addition the prime contractor shall at a minimum provide details of proposed direct labor rates to include Service Contract Act (SCA) or Collective Bargaining Agreement (CBA) labor rates and the adders used to calculate their total subcontractor proposed amount. Therefore, the information detailed in paragraph L.5.3 2.7.1 is only required for the prime offeror and its proposed teammates/subcontractors that were selected on a non-competitive basis. However, please also refer to L.5.1.7, as an award cannot be made if the offeror does not have an adequate accounting system.
Q-009	RFP - 7	A0003 and Conformed Solicitation Section L 5.3.2.7 ("However, if the prime offeror selected a proposed teammate/subcontractor on a competitive basis, the prime offeror shall only provide its basis for the competitive Teammate/subcontractor selection. Therefore, the information detailed in the below paragraph is only required for the prime offeror and its proposed teammates/subcontractors that were selected on a noncompetitive basis.") change, FAR 52.244-5 Competition in Subcontracting (CIS) & FAR 52.244-2 Subcontracts.	<p>This requirement seems to be an onerous/unduly burdensome requirement on Small Businesses considering among other things the subcontract consent requirements of FAR 52 244-2 and the fact that based on a Small Business BOA Holder's Team Arrangement, they are limited to soliciting only their approved Teammates thereby effectively negating the true full & openness and increased competition intent/objective of the subcontracting process in general and the CIS requirements specifically.</p> <p>In light of this new option/alternative, will Govt. allow additional time for Offerors to utilize this approach/process for this TORFP?</p>	Amend 0006 extended closing date of the RFP to 18 DEC 2013.

W52P1J-13-R-0035

Q-012	RFP - 8	Solicitation W52P1J-13-R-0035, Page 15, Para 3-H(b)	Final invoice for Transition-In CLIN is stated. IS there a schedule for invoicing for the base period and if so, please tell us what that schedule is.	Invoicing schedules are determined after contract award. Please refer to Clause 52.216-7(a) Allowable Cost and Payment.
Q-019	RFP - 9	W52P1J-13-R-0035	For this particular task order, for various reasons, some of our teammates are opting not to be included in this rfp. Can a Prime, propose a subcontractor after their teammates have declined to participate in this specific task order? The Prime did rely on teammates to demonstrate capability in one functional area, Transportation. If the Prime cannot use a subcontractor, can they add a teammate specifically due to this RFP?	A Prime must refer to their BOA Attachment 0002 Team Arrangement for their specific scenario. Review the "EAGLE BOA Holder Teammate Guide" on the Eagle Website for additional guidance. Offerors are only allowed to submit subcontractors not listed on their Attachment 0002 when the offeror already has the functional ability to operate in a specific functional area.
Q-023	RFP - 10	RFP, Solicitation No. W52P1J-13-R-0035	Requesting an extension of the current proposal due date of 8am on 2 December. This date effectively causes the final 4 days of the proposal development period occur on a National four-day Holiday. In concert with the Federal Government, we allow our employees Thanksgiving Thursday and Friday as Holiday days off. Like most Americans, a good number of our workers take the previous Wednesday off in order to travel. We view the current current proposal due date to be untimely, inefficient, and not in the best interest of the Government, which desires well-developed contractor proposals. Request an extension of at least 4 days.	Amend 0006 extended closing date of the RFP to 18 DEC 2013.
Q-028	RFP - 11	W52P1J-13-R-0035, Amendment 0003, Page 7, Paragraph L 5.2.1 3 Staffing	This paragraph does not specify a specific page count for the Staffing section, only the requirement for the completion of the Staffing/Labor Mix - Attachment 0002. As such, the requirement for an organization chart is not stated, however, we would like to include an organization chart in our proposal as it more clearly depicts our staffing structure, external and internal lines of communication and differentiates assignments within our team structure and would make it easier for the Government to validate solicitation requirements and compliance with the FAR as it relates to work allocation. As a page count has not been mandated for this section, will the Government allow the inclusion of an Organization Chart as part of the Staffing Paragraph ?	An Organization Chart is not required nor will it be evaluated. In addition, please refer to paragraph L.2.1, which states in part "[a]dherence to the prescribed format is required. Failure to provide proposals in accordance with the instructions/format specified in the RFP shall render the Offerors proposal incomplete. The proposal will not be further evaluated and will not be considered for award."
Q-036	RFP - 12	RFP, Page 51, L.5 3 2.7 5	Paragraph L 5.3.2.7.5(d)(b) states that the file format for rate data requested in paragraphs L 5.3.2.7.5(a) through L.5 3 2.7 5(d) shall be MS Excel. However, the Government requires detailed descriptions for several items, such as the application of proposed indirect rates on direct costs. Is it acceptable for Offerors to submit explanations accompanying the MS Excel rate data in MS Word format?	This information shall be submitted in excel only, in accordance with the RFP instructions.
Q-50	RFP - 13	N/A	There are several attachments (Attachments 3,4,10,14,17) missing from the ASFI website. Can you please provide the missing documents or confirm these attachments do not exist?	Per page 3 of 58 states Attachment 0003, 0004, 0010, 0014 and 0017 are NOT included in this task order solicitation. This is for administrative purposes only. These attachments are not missing from the
Q-52	RFP - 14	Section L	Did the government mean to exclude Past Performance from Section L & M?	Yes per page 2 paragraph e) of the solicitation The Lowest Price Technically Acceptable (LPTA) approach will be used to select the most advantageous offer to the Government. Award will be made on the basis of the lowest evaluated price of proposals that are determined acceptable for the non-cost factor (Technical).
Q-53	RFP - 15	Section L	Did the government mean to exclude the requirement for an Org Diagram (Attachment 10) from the solicitation?	Yes
Q-60	RFP - 16	RFP, Section A, para h), page 2 of 64	Will offerors still need to complete a Section B in their cost proposal or will the completion of Attachment 0005 suffice?	Per page 2 paragraph j) Please note that this solicitation contains a Section B, "Supplies or Services and Prices/Costs" section; however, Offerors are required to complete and submit the Cost/Price Matrix identified as Attachment 0005.
Q-61	RFP - 17	RFP, Section L, para L.5.3.1.3 , page 48 of 64	When a team mate is an EAGLE BOA holder itself, will the Government consider all of its past performances cited on its EAGLE BOA contract or only the past performance contract(s) submitted by the Offeror on it's EAGLE BOA contract?	This Task Order does not evaluate Past Performance as it is an Lowest Price Technically Acceptable (LPTA).
Q-62	RFP - 18	RFP, Section L, para L.5.3.1.3 , page 48 of 64	If a team mate is an EAGLE BOA holder itself and is considered "Self Certified" in any or all of the EAGLE task areas of Maintenance, Supply and Transportation, can a Small Business offeror use that "Self-Certified" qualification for past performance for that particular teammate or will it have to provide an additional past performance contract from that teammate to establish its past performance qualification?	This RFP is Lowest Price Technically Acceptable (LPTA) and does not have any Past Performance requirements.
Q-63	RFP - 19	RFP, Section L, para L.5.3 2.7 1, page 49 of 58	Does the \$1 million dollar amount refer to life of contract or per year amounts?	Section L updated in Amend 0007 to clarify refers to "Total Period of Performance of 5 years"
Q-73	RFP - 20	Section L, page 43 of 63, paragraph L.4 3 All MS Word page limitations are based on the following. tem 8)	Will the Government allow for font size less than 12 point font for Charts, daigrams, graphs, etc.?	No Smaller than 12-point
Q-75	RFP - 21	Solicitation Section L, Page 48	Section L lists all the required documents for Vol 1, 2 and 4 but does not list a Vol. 3 or the documents. Is there a Vol 3 and what is supposed to be included?	Vol 3 is excluded as it was for Past Performance and this is an LPTA.
Q-76	RFP - 22	General	Can the font size for charts and graphics be smaller than 12 pt and if so, how small?	No Smaller than 12-point

Q-77	RFP - 23	PWS, Definitions List, Section C02, CDRL -09,	Start of work, Contract Start Date, Contract Award, Notice to Proceed, Performance Period, are not defined. Will the government please define these terms?	<p>Notice to proceed is defined as a government notice that directs the contractor to proceed with the performance of the work called for by a contract. Notice to proceed starts the Transition -in period. Contract Award is defined as the written notice from the PCO notifying the contractor that it was the successful offeror and was awarded the task order contract. Contract Award is accompanied by a fully executed signed copy of the task order contract. The time frame between Contract Award and Notice to Proceed can vary. The Notice to Proceed could be issued on the same day as the Contract Award or shortly thereafter. The Notice to Proceed is typically issued within the first 2 weeks of the Contract Award, however, in unusual circumstances it could be longer. The Government would discuss any delays in Notice to Proceed with the contractor at that time. The period of performance is on page 2 paragraph d) The period of performance for each CL N from Notice to Proceed (NTP) through 1,825 Days after NTP is identified below:</p> <p>CLIN SERVICE PERIOD OF PERFORMANCE 0001-0005 Base Year NTP - 365 NTP (includes 60 day transition-in) 1002-1005 Option Year 1 366 NTP - 730 NTP 2002-2005 Option Year 2 731 NTP - 1,095 NTP 3002-3005 Option Year 3 1,096 NTP - 1,460 NTP 4002-4005 Option Year 4 1,461 NTP - 1,825 NTP</p>
Q-78	RFP - 24	Section C-1, Page 23, para 1.11,	The PWS states systems being supported and utilized are specified in attached technical information. Will the Government provide the attachment?	Refer to TE 1G-004.
Q-82	RFP - 25	Solicitation Section L, Page 46-47, L.5.2.1.1	The solicitation lists the criteria required for the Mission Capability Narrative starting with (i), (ii) and skips to (v). Can the government please provide the missing criteria?	Corrected in Amend 0005.
Q-83	RFP - 26	Solicitation Section L, Page 47-48, L.5.2.1.2, iii (a)	The naming convention is requesting the file be named as Offeror's Name_Vol 2_Att02 however, the name of the attachment is 0002. Can the government please clarify the correct naming convention for Attachment 0002?	The naming convention specified in the RFP shall be utilized.
Q-85	RFP - 27	Attachment 0002	What size paper should Attachment 0002 be sized to?	Refer to Amendment 0007 paragraph L.4 3 has been updated.
Q-88	RFP - 28	Solicitation W52P1J-13-R-0035	For planning purposes, can the government provide an estimated start date for this effort?	It is anticipated that the task order will be awarded third quarter 2014, however this date is subject to change.
Q-95	RFP - 29	L.5 3.2.7.7, page 13 of Amendment 0004 Attachment 0008 Attachment 0007	Section L 5 3.2.7.7 requires Offerors to provide provide a side by side comparison detailing all proposed labor categories that are applicable to the Service Contract Act and Section J Attachment 0007 - Department of Labor Wage Determination. The employees on the current contract are currently operating under a CBA, which was provided in Attachment 0008. Does the government wish to see a cross-walk between the CBA labor categories proposed and the WD categories?	Please refer to RFP paragraph L 5.3 2.7.8 in Amend 0007
Q-96	RFP - 30	L.5 3.2.7.7, page 13 of Amendment 0004 Attachment 0008 Attachment 0007	Section L 5 3.2.7.7 requires Offerors to provide provide a side by side comparison detailing all proposed labor categories that are applicable to the Service Contract Act and Section J Attachment 0007 - Department of Labor Wage Determination. Is the Offeror required to only provide a Side by Side comparison for any proposed SCA positions and NOT for CBA positions?	Please refer to RFP paragraph L 5.3 2.7.8 in Amend 0007
Q-002	RFP - 31	Solicitation, Pages 51-52, L.5 3.2.7 5	Sections L.5 3.2.7 5(a) - L.5.3 2.7 5(d) of the solicitation requires information to be submitted that may be better served in a word or PDF file rather than an excel file (i.e. current wage surveys as supporting data for direct labor rates). Would the government consider changing the file format for this section to include MS Word and PDF in addition to MS Excel?	The required format will not change.
Q-74	RFP - 32	Standard Form 33, block 9:	Due to the Thanksgiving Holiday weekend will the government consider changing the proposal due time from 0800 local time to 12noon local time?	Amend 0006 extended closing date of the RFP to 18 DEC 2013.
Q-029	RFP - 33	TE 5-M-S-T-001, RFP L.5 2.1.3	Can the Government clarify which column of the TE (Direct Hours or Manhours) qualifies as the minimum productive hours cited in L.5.2.1.3?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours.
Q-035	RFP - 34	Solicitation	In order to ensure our proposal files are uploaded in time to meet the December 2 due date, contractors would need to upload no later than Friday, November 29 which is the day after Thanksgiving. Most contractors and the government are closed on Thanksgiving Day and many are closed or have reduced staffing the day after. Respectfully request RICC move the proposal due date to allow adequate time and staff availability to finalize and submit a quality proposal.	Amend 0006 extended closing date of the RFP to 18 DEC 2013.
Q-51	RFP - 35	N/A	Would the Government please consider providing an extension to provide at least 10 business days from the release of all answers to offeror questions to allow for proper coordination with teammates to revise the technical and cost volumes as needed?	Amend 0006 extended closing date of the RFP to 18 DEC 2013.
Q-68	Tech Exhibit - 1	TE 5-M-S-T-001 Workload	Will the Government clarify and further define the maintenance workload in order for offerors to provide the correct mix of labor classifications for each Maintenance function?	The Government has provided the applicable workload data for which it is in possession.
Q-69	Tech Exhibit - 2	TE 5-M-S-T-001 Workload	Will the Government clarify and further define the Supply workload in order for offerors to provide the correct mix of labor classifications for each Supply function?	The Government has provided the applicable workload data for which it is in possession.

Ft. Huachua Questions and Answers

W52P1J-13-R-0035

Q-70	Tech Exhibit - 3	TE 5-M-S-T-001 Workload	Will the Government clarify and further define the Transportation workload in order for offerors to provide the correct mix of labor classifications for each Transportation function?	The Government has provided the applicable workload data for which it is in possession.
Q-025	Workload	L5 2.1.3 Staffing, paragraph i 2), Page 47 of solicitation	Offerors are instructed that staffing "must be commensurate to the provided workload data " When calculating staffing, are offerors to use "Direct Hours" or "Manhours"?	This will be revised via Amendment 0007.
Q-97	Exhibits	TE-5-M-S-T-001 Estimated Workload and Hours	During the Fort Huachuca DOL site visit the attendees were shown the Central Turn-in Point (CTIP) area. TE-5-M-S-T-001 does not include projected direct productive hours for the CT P. Will the Government provide the projected direct productive hours for the CTIP?	The CT P is part of the Installation Supply Support Activity (PWS 5.16). The productive hours are listed under 'Turn-ins processed'
Q-011	PWS - 1	PWS Paragraph 5.19.7	According to para. 5.19.7 of the PWS, The Contractor shall ensure that vegetation control for the inside fenced area of the ASP issue/turn-in point (operations building) and 10 feet outside the fenced area that surrounds the ASP issue/turn -in point is properly maintained N ACCORDANCE WITH applicable regulations. Question: Does the Government provide GFE for this task?	Yes. Refer to TE 1G-004 & PWS 3 8.6
Q-014	PWS - 2	Attachment 0001, PWS, P 28, Para 1.10.12	PWS Para. 1.10.12 states that all contractor owned equipment must be removed from the installation within 20 days of contract end. Does the government intend the incumbent contractor to be off the installation 20 days after contract award?	NO. Contractor owned equipment must be removed from the installation within 20 days after contract end, not contract award.
Q-015	PWS - 3	PWS, Para 1.3.11, Section C-1 Page 7	Will the government provide for the cost of drug screens or will this cost be reimbursable to the contractor?	PWS 1.3.11 states "The contractor shall establish a drug -free workplace and ensure all employees are drugfree, verified prior to their start of work on this effort." Prior to start of work is not reimbursable. For routine screening refer to PWS 1.12.1 which states, "subject to the discretion of the PCO.". The offerors are not required to propose drug testing as it is included in the ODC surrogate (for routine screening only, not for pre-employment drug testing).
Q-032	PWS - 4	PWS C.5.2 through 6 and TE 4G-001:	The contractor has the requirement for tools listed in the TE. Will the Government provide all special tools not listed in the TE that are required for special equipment?	Yes. See PWS paragraph 3 6.1.
Q-033	PWS - 5	PWS C.1.3.11, Pages 7 and 8	We acknowledge the drug free work place requirement and the Drug Free Workplace Act. We acknowledge the requirement for 10 percent sampling monthly. However, cost can be minimized by only performing this effort on employees with Commercial Driver License and those that we have reasonable suspicion. This in compliance of the Act and will be less costly. Please confirm the requirement. Employees sign documents prior to hire validating their understand of the Law.	Requirement confirmed, the contractor shall follow PWS 1.3.11.
Q-034	PWS - 6	TE 1G-002, Hours of Operation; PWS 5.28	PWS 5.28 and TE 1G-002 Hours of Operation, does not specifically address, TMP Operations. What are the dispatcher required hours of operations?	TMP dispatched hours are: Monday, Wednesday and Friday 0730 to 1600. TE 1G-002 updated to reflect same.
Q-037	PWS - 7	RFP, Page 29, I-151 52 228-4567 Required Insurance and PWS, Section C – 5 Page 24, 5.18 Bulk Fuel and Aircraft Refueling Operations	Clause I-151 states that Contractors shall procure and maintain Aircraft Public and Passenger Liability insurance during the entire period of performance under this contract when contract performance involves the use of aircraft. Does the work specified under PWS paragraph 5.18 Bulk Fuel and Aircraft Refueling Operations qualify as the use of aircraft?	No, PWS paragraph 5.18 Bulk Fuel and Aircraft Refueling Operations does not qualify as "use of aircraft."
Q-038	PWS - 8	Para 5.3.3, Page Section C-5, Page 6	What is required Operational Readiness Rate for PDTE vehicles?	There is no requirement for PDTE at this time; however, there may be in the future. For proposal purposes, offerors are not to propose resources for PDTE
Q-042	PWS - 9	PWS Section C-5 Page 52, para. 5.23	PWS discussed Unit Movement requirement, but workload does not show manhours associated with unit movements in Exhibit 5-M-S-T-0001 Projected Worload Direct Hours. Will Unit Movement workload be included in Tech Exhibit 5-M-S-T-0001for minimum hours?	PWS 5.23 has been updated to "Reserved" in Amend 0007. There is no requirement for Unit Movements at this time; however, there may be in the future. For proposal purposes, offerors are not to propose resources for Unit Movements.
Q-043	PWS - 10	PWS Section C-5 Page 4, Para. 5.1 3 and Technical Exhibit (TE) 5-M-S-T-0001	Maint Division section discusses Unit Maintained Equipment (UME), but no workload for this program in Technical Exhibit (TE) 5-M-S-T-0001 Workload Data . Will USG provide workload data for UME workload?	There is no requirement for UME at this time; however, there may be in the future. For proposal purposes, offerors are not to propose resources for UME.
Q-044	PWS - 11	Para 5.3 3, Section C-5, Page 6	What special maintenance programs (LBE, RESET, PDTE) does the incumbent contractor currently support. Is workload data available?	There are no requirements for LBE, RESET or PDTE at this time; however, there may be in the future. For proposal purposes, offerors are not to propose resources for LBE, RESET or PDTE
Q-045	PWS - 12	Para 1.4.1, Section C-1, Page 8.	Are there multiple shifts required to support normal DOL/LRC logistics operations.	No
Q-047	PWS - 13	Technical Exhibit (TE) 5-M-S-T-001 Estimated Projected Workload and Hours	This TE references Food Service Support Office. The PWS Section 5.14 is Subsistence Supply Management Office primarily providing rations support. Please advise what Food Service Program requirements there are (i e., dining facility menu planning, ordering, etc.) if any.	Food service support office performs requisition, pass-thru and follow-up functions. Refer to Tech Exhibit 5-M-S-T-001 at Subsistence Supply Management Office (PWS 5.14)
Q-58	PWS - 14	PWS para 1.1 (C-1, Page 1)	Should offerors refer to the DOL as a DOL or as an LRC due to ASC's recent announcement changing the name of DOL activites to Logistics Readiness Centers?	Please refer to Paragraph 1.1.1 and PWS is updated in Amend 0007.

Ft. Huachua Questions and Answers

W52P1J-13-R-0035

Q-59	PWS - 15	PWS 1.4 (C-1, Page 8)	Is shift work anticipated for any sections? If so, which sections and what shifts apply?	No.
Q-64	PWS - 16	PWS para 3.3.1, Sec C-3, page 3	Will the Government provide cell phones and service for Key and/or essential contractor personnel?	There is no need to propose mobile device / services at this time. The surrogate ODC figure provided in the solicitation includes appropriate telecommunications costs, including mobile devices and related service costs. Mobile device assignments will be determined after award. The PCO must approve any changes to the estimated costs / mobile device assignments.
Q-65	PWS - 17	PWS para 3.3.1, Sec C-3, page 3	Will cell phone service for contractor personnel be cost reimbursable?	There is no need to propose mobile device / services at this time. The surrogate ODC figure provided in the solicitation includes appropriate telecommunications costs, including mobile devices and related service costs. Mobile device assignments will be determined after award. The PCO must approve any changes to the estimated costs / mobile device assignments.
Q-67	PWS - 18	TE 1G-002	The POL operation operates 12 hours per day. Can the Govt confirm whether this requires shift work or if units have keys to operate	No shift work is required and units do not have keys to operate equipment or facilities.
Q-72	PWS - 19	PWS Section C-5, page 4 Para 5.1.3.1	If support is required outside of the maintenance buildings, does the government provide service vehicles or is the contractor expected to provide their own?	Yes, a maintenance contact vehicle is available for use as part of the GSA fleet.
Q-79	PWS - 20	Section C-3, Page 6, para 3 8.	Government provided services does not address cleaning services being provided or not. Will the Government provide cleaning services to the contractor administrative areas?	PWS 1.10.13 is revised in Amend 0007. Additionally, Latrine custodial services are currently performed by another servicer. .
Q-81	PWS - 21	PWS, C-1, Page 4, para 1 3.2.1 and CDRL PM-26	The PWS states the contractor shall provide a "listing of all key personnel, with resumes, to the KO upon award;" however, CDRL PM-26 (Key Position Resumes) states "Initial submitted to the Government not later than 10 days after NTP." When are the resumes due?	PWS 1.3.2.1 revised via Amend 0007 to reflect "No later than 10 calendar days after notice to proceed (NTP) date."
Q-86	PWS - 22	PWS, Section C-1, page 23, para 1.11.	PWS states systems being supported and utilized are specified in the attached technical information . Which Technical Exhibit provides this information?	It is identified throughout the PWS. i.e. SAMS- E, SARSS, PBUSE.
Q-93	PWS - 23	PWS para 5.9 2, Section C-5 Page 10	Para 5 9.2 states in part that the contractor "shall perform WARCO responsibilities in accordance with AR 700 -139 Warranty Claim Actions shall be submitted in accordance with....." Then sub-paragraph 5 9.2 3 states that, "Warranty claim actions" are, "RESERVED." Please clarify.	PWS 5.9.2 3 deleted via Amend 0007
Q-94	PWS - 24		The PWS does not align to the Mission Essential Contractor Service (MECS). Specifically, it seems as though Bulk Fuel capabilities (as required in 5.18 of the PWS) should be a MECS, but is not listed in Attachment 0013 - Mission Essential Services Memo, as on of the functional tasks. Could the government please specify which of the mission essential services 5.18 falls under, or revise the Attachment 0013 to include Bulk Fuel as a mission essential service?	Attachment 0013 is revised via Amendment 0007 to add Bulk Fuel.
Q-98	PWS - 25	PWS Page 3 5.6 and 3.5.7	3.5 6 The contractor will furnish personal safety and protective equipment for personnel performing duties where such equipment is indicated by applicable Safety, Environmental or Occupational Safety and Health Administration (OSHA) requirements and SOP. 3.5.7 The contractor shall furnish, at government expense, personal safety and protective equipment for personnel performing duties where such equipment is indicated by applicable Safety, Environmental or Occupational Safety and Health Administration (OSHA) requirements pursuant to 29 CFR Parts 1910, 1915, 1917, 1918 and 1926. The government will not allow reimbursement for items exempted from the OSHA requirements such as non -specialty prescription safety glasses, non-specialty steel-toed boots (that are not rendered unsafe for wear off of the worksite by work performed), ordinary weather -related clothing or other items very personal in nature (sunglasses, sunscreen, voluntarily used dust masks). Please clarify if the Government will reimburse contractor for OSHA required PPE.	Yes, the Government will reimburse the contractor (via ODC) for OSHA required PPE in accordance with paragraph 3 5.7 of the PWS.
Q-87	PWS - CDRL - 1	PWS, Section C-1, Page 10, para 1.4 3 and CDRL PM-06	PWS states the Contractor Employee Information is due NLT 30 calendar days after FOC. CDRL PM-06 states Contractor Employee Information is due 10 days after NTP. When is this information due?	PWS 1.4.3 revised via Amend 0007 to reflect " No later than 10 calendar days after notice to proceed (NTP) date."
Q-89	PWS - CDRL - 2	PWS, Para 1.3 2.1/PM-06/PM-26	The PWS states the list of key personnel, with resumes, are due to the contracting office upon contract award. The PWS also references PM-06 and PM-26, however the PM-26 states initial key position resumes are to be submitted not later than 10 days after Notice to Proceed. Will the Government please clarify the due date for these requirements?	PWS 1.3.2.1 revised via Amend 0007 to reflect "No later than 10 calendar days after notice to proceed (NTP) date."
Q-90	PWS - CDRL - 3	PWS, Para 1.4 3/PM-06	The PWS states Contractor Employee Information is due to the contracting office not later than 30 days after FOC, however PM-06 states TE 1G-003, Contractor Employee Information is due 10 days after Notice to Proceed. Will the Government please clarify the due date for this requirement?	PWS 1.4.3 revised via Amend 0007 to reflect " No later than 10 calendar days after notice to proceed (NTP) date."

Q-91	PWS - CDRL - 4	PWS, Para 1.4.5	The PWS states the contact information for the PM and APM will be provided to the COR no later than 15 calendar days after award, however Para 1.3.2.1, PM-06 and PM-26 contradict this directive. Will the Government please clarify the due date for this requirement?	Reference : PWS 1.4.5: The contractor shall provide the project manager (and alternate) name and contact information in writing to the contracting officer (not the COR) no later than 15 calendar days after award. PM-06 and PM-26 require list of remaining personnel no later than 10 calendar days after notice to proceed (NTP) date.
Q-039	Tech Exhibit - 1	Technical Exhibit (TE) 5-M-S-T-0001	What is the difference between direct hours and man hours as listed in Tech Exhibit since the statement at the top specifically states that it does not include other hours or skills to perform the work.?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-040	Tech Exhibit - 2	Technical Exhibit (TE) 5-M-S-T-0001	Tech Exhibit shows category for CANN Point workload. Is there a requirement to operate an CANN point?	There is no requirement for CANN Point at this time; however, there may be in the future. For proposal purposes, offerors are not to propose resources for CANN Point.
Q-041	Tech Exhibit - 3	Technical Exhibit (TE) 5-M-S-T-0001	Does fuel dispensing and holding workload include Aircraft Refueling operations?	Yes
Q-048	Tech Exhibit - 4	Technical Exhibit (TE) 5-M-S-T-001 Estimated Projected Workload and Hours	Please confirm if Unit Movement (PWS 5.23) effort is included in the data provided in this TE.	Refer to Q17
Q-049	Tech Exhibit - 5	Technical Exhibit 5-M-S-T-001 - Estimated workload and hours	Reference Direct Hours and Manhours for the Supply Support Activity, are these numbers reversed? For every other Shop, the Manhours exceed the Direct Hours except for the SSA.	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-54	Tech Exhibit - 6	TE 5-M-S-T-001 Workload	This exhibit lists both Direct hours and Man hours. Should offerors base their productive hours against the Direct Hours or Manhours cited in this TE?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-55	Tech Exhibit - 7	TE 5-M-S-T-001 Workload	Direct Labor hours for maintenance are almost 50% less than the total Manhours provided. This difference cannot be explained by any differences in production hours caused by seniority for SCA or CBA workers. Can the government explain why there is such a difference between these numbers?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-56	Tech Exhibit - 8	TE 5-M-S-T-001 Workload	Under Supply, the SSA shows 31,220 Direct hours vs 28,880 Manhours. Should offerors base their estimates off the Direct hours or Man hours for the SSA?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-57	Tech Exhibit - 9	TE 5-M-S-T-001 Workload	Under Supply, can the Government explain how the the Direct hours for the SSA at 31,200 exceed the Manhours (28,880) for this activity?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-66	Tech Exhibit - 10	TE 5-M-S-T-001 Workload	The maintenance shop breakout includes a section called Special Purpose Shop yet there is no PWS description for this function. Can the Government provide what tasks/requirements and workload are associated with this shop activity?	Special Purpose Shop is referring to Non-Tactical equipment/vehicles.
Q-71	Tech Exhibit - 11	TE 5 - M-S-T 001 Estimated Projected Workload	How much of the Estimated workload for Maintenance accounts for support off-post and to the surrounding areas?	None.
Q-80	Tech Exhibit - 12	Technical Exhibit (TE) 5T-005	Technical Exhibit (TE) 5T-005, Special Certifications, Licensing, Qualification and Training, does not identify any certifications or licensing for Transportation. Will the Government provide the requirements for transportation personnel?	Refer to PWS 1 3.2.4 & 5 28.1
Q-024	Workload - 1	TE 5-M-S-T-001 Estimated workload and hours	Please clarify the difference between "Direct Hours" and "Manhours" as listed on TE 5-M-S-T-0001 Estimated workload and hours.	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours. All references to "Direct Hours" and "Manhours" have been removed.
Q-026	Workload - 2	PWS 5.23, Page C-5 Page 52	Will the government please provide the workload for Unit Movements as it is not included in TE 5-M-S-T-001 Estimated Workload and Hours.	see Q17
Q-031	Workload - 3	TE 5-M-S-T-0001 Estimated projected Workload and Hours; PWS C.5.5 including General Purpose, Allied Trades and Body Shop	The Government is requesting a capability throughout PWS C 5.5 (General Purpose, Allied Trades and Body Shop) that is natural dispersed between numerous labor categories. However, the workload data will ultimately produce only a fraction of a FTE for various skill sets. Please clarify the Government's intent. Can the Government provide a more detailed workload specific to Allied Trades efforts. For example, actual welding jobs, glass repairs, body work job, Machinist etc.	See Q 16
Q-006	Workload - 4	Attach 0008 Collective Bargaining Agreement, Page 14, Article 20 - Paid Time Off, para 20.2 .	Para. 20.2 of Article 20 of Attachment 0008 states, "For the purposes of transitioning employees to the PTO plan, each employee's current accrued unused sick/personal leave and vacation hours will be converted to PTO hours". Please provide the average number of PTO (sick, personal and vacation) hours, per employee annually.	This information will be available to the Awardee during the Transition In Process. The Government has provided the CBA as Attachment 0008 and no further information is available.
Q-010	Workload - 5	TE -5T-005	It appears BAE manages the SAFETY for the Forklift Driver's Training operation. Is this true?	NO. The TE -5T-005 has been changed via Amend 0007 to read, "Selected workers (i.e. Warehouse Specialist in the SSA, C F, IPBO, SSMO, and Packing and Crating and Central Receiving Point employees) are trained and licensed by the current contractor Safety Manager, so the contractor needs to maintain this ability"
Q-013	Workload - 6	TE 5-M-S-T-001 Estimated Projected Workload	Cell C37 does not give the the correct total of cells C33:C36. Actual total is 304,654 transactions. Is there data missing or is the smaller total correct?	Revised Tech Exhibit 5-M-S-T-001 in Amend 0007.
Q-016	Workload - 7	PWS, Para 5.5.1, Section C-5 Page 7	Tasks include welding, machining, fabrication, body repair and equipment painting. This appears to be in conflict with the workload data for Allied Trades listed in TE 5-M-S-T-001 Estimated Projected Workload. Is there additional workload data for this area?	Revised Tech Exhibit 5-M-S-T-001 in Amend 0007.

Q-017	Workload - 8	PWS, Para 5.23, Section C-5 Page 52	Unit Movements is listed as a requirement of Para. 5 23, although there is no associated workload data listed in TE 5-M-S-T-001 Estimated Projected Workload. Is there missing workload data for this area?	PWS 5.23 has been updated to "Reserved" in Amend 0007. There is no requirement for Unit Movements at this time; however, there may be in the future. For proposal purposes, offerors are not to propose resources for Unit Movements.
Q-021	Workload - 9	Exhibit AB Exhibit AM Exhibit AO Exhibit Z	There are inconsistencies in the man-hours between the Exhibits AB, AM, AO and Z. For example, CIF man-hours in Exhibit AM is 37,720, but 53,946 in Exhibit Z. Additionally, the ASP totals 38,900 man-hours in Exhibit AM, but 46,672 in Exhibit Z. Will the Government please clarify the inconsistencies in man-hour listed in these documents?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours.
Q-022	Workload - 10	Exhibit AB Exhibit AM Exhibit AO Exhibit Z	There are inconsistencies in the man-hours between Exhibits AB, AM, AO and Z. Which set of numbers does the Government consider the minimum requirement for this effort?	Please refer to Revised Tech Exhibit 5-M-S-T-001 in Amend 0007 for the minimum productive hours.
